HIGH SCHOOL FISHING

TBF · STUDENT ANGLER FEDERATION · FLW

On April 14, 2018, Kade Houchin and Kaden Dawson placed 6th out of 270 boats on Truman Lake qualifying them to fish in the TBF National Championship of High School fishing on Pickwick Lake in Alabama. The tournament will run June 26th-June 30th with pre-fishing beginning June 24th.

While the Republic Bass Fishing team is through the school, this Championship is not funded through the school. This is an amazing opportunity for Kade and Kaden but will not come without expense. The trip is estimated at around $2000.

We would appreciate any sponsorships/donations to help offset the cost of this week long adventure in fishing. Sponsorships will be represented, by any stickers provided, on the boat and truck. This event will be televised on the Pursuit Channel.

All donations/sponsorships can be submitted by June 1st via mail or by contacting Kade (417-413-0378) or Kaden (417-207-5871) for pick-up of funds/stickers. Make checks payable to Jeromy Houchin.
